- ◆ **Top Quality Maintenance Free Lighting Solution with No Extra Installation or Operating Costs**
- ◆ **Extremely Durable Contractor Grade Design Available for Residential & Commercial Use**
- ◆ **Easily Installs into New or Existing Patios, Walkways, Driveways & More**

IDEAL FOR:

- ▶ *Patios*
- ▶ *Walkways*
- ▶ *Driveways*
- ▶ *Pool decks*
- ▶ *Sidewalks*
- ▶ *Stairways*
- ▶ *Gardens*
- ▶ *Bike Paths*
- ▶ *Walls*
- ▶ *Underwater:
Fountains
Pools
Ponds*

FEATURES & BENEFITS:

- ◆ **Lights Powered by a Double Layer Capacitor**
 - ▲ Capacitor stores solar energy to power light
 - ▲ Unlike lithium ion batteries, capacitor will never need to be replaced
 - ▲ Reaches full charge in 3-5 hours under full sunlight
 - ▲ 12 hours of working time after full charge
 - ▲ Works in extreme temperatures without degradation: -40° F - +140° F (-4° C - +60° C)
- ◆ **Long-Life LED Light Source**
 - ▲ Energy efficient lighting to accent hardscapes and outdoor areas
 - ▲ LED light technology for maximum in-use life
- ◆ **Stainless Steel Light Fixture with UV Resistant Polycarbonate Lens**
 - ▲ Engineered to withstand light vehicular traffic
 - ▲ Added slip resistant surface keeps pedestrians safe
 - ▲ 100% waterproof with an IP68 rating
- ◆ **Self-Contained Light with No Exterior Wiring**
 - ▲ Simple to install with no electrician, no wiring, no trenching, no timer, no transformer
 - ▲ Includes two year warranty from manufacturer defect
