

# EZ MIXER

by (BARON)<sup>®</sup>

## NEXT LEVEL POWER & PERFORMANCE

Built for professional contractors, the **EZ Mixer by Baron** delivers fast, consistent mixing for demanding hardscape applications. Ideal for use with **EZ Set Trass Setting Bed** and **ResinScape Resin Bound System**, its forced-action mixing technology helps create a uniform mix while improving jobsite efficiency.

### CONSISTENT RESULTS

Produces a uniform mix for improved material performance and installation quality.

### INCREASED EFFICIENCY

Quick mixing cycles help crews stay productive and keep projects moving.

### BUILT TOUGH FOR PROS

Heavy-duty construction stands up to the demands of daily jobsite use.

### OPTIMAL FOR THE EZ WAY SYSTEM

Ideal for mixing EZ Set Trass Setting Bed, ResinScape Resin Bound System along with mortars and other specialty materials.

## FORCED-ACTION MIXING ADVANTAGE

Unlike traditional drum mixers, the EZ Mixer by Baron continuously folds and blends materials for a more consistent mix from batch to batch.

- Uniform material distribution
- Improved workability
- Reduced mixing time
- Cleaner, more efficient operation
- Reliable performance on every job
